# Foundation Q1-Q2

Establish the core team and advisors for BB Token.

Conduct an in-depth market analysis and feasibility study to validate the concept and potential of BB Token.

Develop the BB Token whitepaper, outlining the project's mission, vision, and technical details.

Launch the official website and social media channels to create awareness about BB Token.

# Foundation Q3-Q4

Create the BB Token based on a secure and efficient blockchain platform (e.g., Ethereum, Binance Smart Chain).

Conduct a security audit to ensure the smart contract's safety and robustness.

Initiate a private sale and presale of BB Token to raise funds for further development.

# Foundation Q5-Q6

List BB Token on major cryptocurrency exchanges to increase liquidity and accessibility for investors

Forge strategic partnerships with leading blockchain projects, businesses, and payment processors to enhance the usability and adoption of BB Token.

Implement a comprehensive marketing and community outreach campaign to attract a global user base.

# Foundation Q7-Q8

Introduce the BB Token wallet, enabling secure storage and easy transactions of BB tokens.

Launch a user-friendly mobile app to allow users to access BB Token's features on the go.

Collaborate with businesses to integrate BB Token as a payment option, driving real-world use cases.

# Foundation Q9-Q10

Develop and launch BB Token's decentralized exchange (DEX) to enable peer- to-peer trading of BB Token.

Implement staking and yield farming opportunities for BB Token holders to

earn passive income and participate in the ecosystem's governance.

Explore other DeFi applications like lending, borrowing, and liquidity pools to enhance the utility of BB Token.

# Foundation Q11-Q12

Expand BB Token's presence to various regions worldwide by engaging in local partnerships and marketing efforts.

Pursue regulatory compliance in key markets to ensure a stable and legally compliant ecosystem

Continue to develop innovative features and partnerships to stay ahead in the

ever-evolving blockchain landscape.

# Foundation Q13-Q14

Collaborate with mainstream financial institutions and fintech companies to integrate BB Token into traditional finance platforms

Educate the general public about the benefits of blockchain technology and

cryptocurrencies through educational initiatives and awareness campaigns.

Foster a vibrant and engaged community, involving users in the decision- making process and encouraging active participation in the growth of BB Token

A pixelated world map in light blue and red on a dark brown background. Three regions are highlighted with colored circles and icons: a blue circle with a building icon over North America, a green circle with a gas pump icon over Africa, and a purple circle with a bell icon over Asia. The background also features faint, overlapping images of gold coins with dollar signs.
